

Leaf Shine

(Pure Neem Oil)

Introduction

Leaf Shine (Pure Neem Oil) is an **OMRI Listed** foliar product applied on leaves for brining lushness & shine. It is 100% organic, contains no synthetic additives and is extracted through cold pressing Neem seeds. Leaf Shine (Pure Neem Oil) cleans and beautifies all your plants.

Application Rates

Use 4-5 ml (3 / 4 - 1 tsp) to every 1 liter of product depending on need. Follow simple direction to make the final product solution.

1. Dissolve the needed quantity of oil first in hot water at 60 degrees centigrade or above (needed quantity of Natural leaf Shine in 250 ml or 1 cup hot water @ 60 degrees or above)
2. Shake vigorously to ensure that oil has completely dissolved in hot water with no floating residue.
3. Once oil is "completely dissolved" add the solution to remaining water to make final solution in sprayer.

List of Ingredients

Pure Neem Oil

Cautions

1. Make only enough solution that's needed and avoid storing product in mixed form.
2. Neem is a 100% saturated oil and may coagulate, which will require thawing at 30-35 degree centigrade before use. It can also be microwaved before mixing in hot water.
3. Keep the product in a dry place.
4. Keep the product away from children.
5. Use as directed.
